2021

Face-to-face with the future of diagnostics

Today's challenges are more complex than ever before. What is key to today and tomorrow's laboratory technology? And how do we make diagnoses even more precise?

At MEDICA 2022, exhibitors showcase everything from innovative analysis equipment to high-speed centrifuges.

Laboratory equipment at a glance:

- Analyser systems/equipment
- Centrifuges
- Microplate, microtiter plates
- Laboratory equipment
- Microscopes
- Filtration systems, filtration equipment
- Glass, plastic, metal laboratory items

Diagnostic tests:

- Clinical chemistry
- Haemoglobin testing, electrophoresis testing
- Microbiology testing
- Immunochemistry testing, immunology testing
- Genetic testing, molecular diagnostics

Meeting place for experts in laboratory medicine

The MEDICA LABMED FORUM brings state-of-the-art laboratory technology together in one place – and includes infectiology, laboratory diagnostics in diabetology and sports medicine, cardiology biomarkers and much more.
